Acceptable Forms of Identification For DHS Background Studies

Entities that initiate background studies are required by law to verify the background study subject's identity in NETStudy 2.0. This is a summary of acceptable forms of identification to be used for DHS background studies.

Primary Identification Document

When a background study subject has a valid* picture identification listed below use this document for identity verification:

- State-Issued Driver's License – the issuing authority must be a US state or territory
- State-Issued Identification Card – the issuing authority must be a US state or territory

- The departure portion of Form I-94/I-94A with a refugee admission stamp.

BACKGROUND STUDY NOTICE OF PRIVACY PRACTICES

Because the Department of Human Services (DHS) is asking you to provide private information, you have privacy rights under the Minnesota Government Data Practices Act. This law protects your privacy, but also allows DHS to give information about you to others when the law requires it. This notice describes how your private information may be used and disclosed, and how you may access your information.

Why is DHS asking me for my private information?

A background study from the Department of Human Services (DHS) is required for your job or position. The private information is needed to conduct the background study.

How will I be notified that a background study was submitted on me?

DHS will mail you a notice within three working days after a request for a background study is submitted on you. The notice will contain the background study result or let you know that more time is needed to complete the background study. The notice will also identify the entity that submitted the background study request.

What information must I provide to complete the background study?

You are required to provide enough information to ensure an accurate and complete background study. This includes your:

- first, middle, and last name and all names you have ever been known by or used;
- current home address, city, zip code, and state of residence;
- previous home addresses, city, county, and states of residence for the last five years;
- sex and date of birth;
- driver's license or other identification number, and;
- fingerprints and a photograph.

How will the information that I give be used?

The information will be used to perform a background study that will include a check to determine whether you have any criminal records and/or have been found responsible for substantiated maltreatment of a vulnerable adult or child. Background study data is classified as "private data" and cannot be shared without your consent except as explained in this notice.

What may happen if I provide the information?

You could be disqualified from positions that require a DHS background study if you are found to have committed certain crimes, been determined responsible for maltreatment of a vulnerable adult or child, or have other records that require a disqualification. If you do not have a disqualifying record, you will be cleared to work.

What if I refuse to provide the information?

You will be disqualified if you refuse to provide information to complete an accurate background study. You will not be able to work in a position that requires a DHS background study.

Who will DHS give my information to?

DHS will only share information about you as needed and as allowed or required by law. The identifying information you provide will be shared with the Minnesota Bureau of Criminal Apprehension and in some cases the Federal Bureau of Investigation (FBI). If there is reasonable cause to believe that other agencies may have information related to a disqualification, your identifying information may also be shared with:

- county attorneys, sheriffs, and agencies;
- courts and juvenile courts;
- local police;
- the Office of the Attorney General, and;
- agencies with criminal record information systems in other states.

What information will DHS share with the entity that requested my background study?

The entity that requested the background study will be notified of your background study determination.

If you are disqualified, the entity will not be told the reason unless you were disqualified for refusing to cooperate with the background study or for substantiated maltreatment of a minor or vulnerable adult.

What other entities might DHS share information with?

Information about your Background study may be shared with:

- the Minnesota Department of Health;
- the Minnesota Department of Corrections;
- the Office of the Attorney General, and;
- health-related licensing boards.

What if my disqualification is set aside?

If you request reconsideration of your disqualification and your disqualification is set aside, the entity that requested the background study will be informed of the reason(s) for your disqualification unless the law states otherwise. DHS will provide information about the decision to set aside your disqualification if the entity requests it.

Unless prohibited by law, your name and the reason(s) for your disqualification will become public data if your set aside is for:

- a child care center or a family child care provider licensed under chapter 245A, or;
- an offense identified in section 245C.15, subdivision 2.

For future background studies submitted by entities that provide the same type of services as the services you were set aside for, the set aside will apply unless:

- you were disqualified for an offense in section 245C.15, subdivision 1 or 2, or;
- DHS receives additional information indicating that you pose a risk of harm, or;
- your set aside was limited to a specific person receiving services.

In addition, those entities will be informed of the reason(s) for your disqualification unless prohibited by law.

Will my fingerprints be kept?

DHS and the Bureau of Criminal Apprehension will not keep your fingerprints. However, if an FBI check is required for your background study, the Federal Bureau of Investigation (FBI) will keep your fingerprints and may use them for other purposes.

What information can the fingerprint and photo site view and keep?

The fingerprint and photo site can view identifying information to verify your identify. The fingerprint and photo site will not keep your fingerprints, photo, or most other information. The fingerprint and photo site can keep your name and the date and time your fingerprints were recorded and sent, for auditing and billing purposes.

Who can see my photo?

Your photo will be kept by DHS. If you provide your social security number to allow your background study to be transferable to future entities, your photo will be available to those entities to verify your identity.

What are my rights about the information you have about me?

- You may ask if we have information about you and request in writing to get copies. You may have to pay for copies.
- You may give other people permission to see and have copies of private information about you.
- You may ask in writing a report that lists the entities that submitted a background study request on you.
- You may ask in writing that the information used to complete your background study be destroyed. The information will be destroyed if you have:

- (1) not been affiliated with any entity for the previous two years, and;
- (2) no current disqualifying characteristic(s).

Please send all written requests to:

Minnesota Department of Human Services
Background Studies Division
NETStudy 2.0 Coordinator
PO Box 64242
St. Paul, MN 55164-0242

How long will DHS keep my background study information?

DHS will destroy:

- your photo when you have not been affiliated with an entity for two years.
- any background data collected on a you after two years following your death or 90 years after your date of birth, except when readily available data indicates that you are still living.

What is the legal authority for DHS to conduct background studies?

Background studies are completed by DHS according to the requirements in Minnesota Statutes, chapter 245C. Background studies are authorized under Minnesota Statutes, sections 256B.0943, subdivision 5a; 256B.0659, subdivision 11(a)(3); 241.021, subdivision 6(a); 144.057, subdivision 1; 518.165, subdivision 4, and 524.5-118;

Personnel File Notification

Workers' rights and remedies regarding review of personnel file under PICS policies and in compliance with Minnesota state law.

Worker Name: _____

A. Review of Personnel File

How: Workers may make a written request to the Human Resources Department to review their personnel file; however, such requests may be limited to no more than once every six months and may be denied if we determined that the request was not made in good faith. Upon separation from employment a former worker may make such a written request once each year after separation for as long as the personnel record is maintained.

When: Upon receipt of a written request from a worker or former worker to review their personnel file it is our practice to comply no later than 7 working days.

What: Arrangements will be made for current workers to inspect their personnel record during normal business hours. An accurate copy of the personnel file may be used or simply provided; a copy will be mailed to any former worker at an address disclosed in a written request and onsite inspections will not be allowed for former workers.

B. Removal or Revision of Personnel File Information

If a worker disputes any of the specific information contained in their personnel file, there are three different courses of action that may be taken:

1. Worker may do nothing about the disagreement;
2. Worker may seek management's agreement to revise/remove disputed information, which may or may not be granted; and
3. If no agreement is reached to revise or remove the disputed information, the worker may submit a written statement specifically identifying the disputed information and explaining their position on the information in question. This position statement may be no longer than 5 written pages and will be included with worker's personnel file with the disputed information, for as long as the disputed information is contained in the record.

C. Worker Records

Our employment records also require that contract and other information be maintained current and updated as needed. Workers are responsible for notifying the Human Resource Generalist promptly and accurately in writing of any changes relating to personal information, such as home address, telephone number, marital status, and/or number of dependents.

D. Remedies/Retaliation Prohibited

In addition to other remedies provided by law, if any, worker may bring a civil action in an attempt to compel compliance with these provisions regarding their right to inspect his or her personnel file and potentially seeking the following relief:

1. Actual damages only, plus costs, under Minn. Stats. 181.960 to 181.963; and
2. Actual damages, back pay, and reinstatement or other make-whole equitable relief, plus reasonable attorney's fees, under Minn. Stat. 181.964.

Any worker who in good faith exercises their rights and remedies regarding review of the personnel record under these provisions may not be retaliated against.

Acknowledgement of Receipt

I hereby acknowledge that I have received a copy of the foregoing Personnel File Notification and I understand that I am obligated to read and familiarize myself with its terms.

Step 1: Enter Personal Information	(a) First name and middle initial	Last name	(b) Social security number
	Address		Does your name match the name on your social security card? If not, to ensure you get credit for your earnings, contact SSA at 800-772-1213 or go to www.ssa.gov.

	(c) <input type="checkbox"/> Single or Married filing separately <input type="checkbox"/> Married filing jointly or Qualifying surviving spouse <input type="checkbox"/> Head of household (Check only if you're unmarried and pay more than half the costs of keeping up a home for yourself and a qualifying individual.)		

Complete Steps 2–4 ONLY if they apply to you; otherwise, skip to Step 5. See page 2 for more information on each step, who can claim exemption from withholding, and when to use the estimator at www.irs.gov/W4App.

Step 2: Multiple Jobs or Spouse Works

Complete this step if you (1) hold more than one job at a time, or (2) are married filing jointly and your spouse also works. The correct amount of withholding depends on income earned from all of these jobs.

Do **only one** of the following.

(a) Use the estimator at www.irs.gov/W4App for most accurate withholding for this step (and Steps 3–4). If you or your spouse have self-employment income, use this option; **or**

(b) Use the Multiple Jobs Worksheet on page 3 and enter the result in Step 4(c) below; **or**

(c) If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is generally more accurate than (b) if pay at the lower paying job is more than half of the pay at the higher paying job. Otherwise, (b) is more accurate

Complete Steps 3–4(b) on Form W-4 for only ONE of these jobs. Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3–4(b) on the Form W-4 for the highest paying job.)

Step 3: Claim Dependent and Other Credits	If your total income will be \$200,000 or less (\$400,000 or less if married filing jointly): Multiply the number of qualifying children under age 17 by \$2,000 \$ _____ Multiply the number of other dependents by \$500 \$ _____ Add the amounts above for qualifying children and other dependents. You may add to this the amount of any other credits. Enter the total here	3	\$

General Instructions

Section references are to the Internal Revenue Code.

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2024 if you meet both of the following conditions: you had no federal income tax liability in 2023 **and** you expect to have no federal income tax liability in 2024. You had no federal income tax liability in 2023 if (1) your total tax on line 24 on your 2023 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2024 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2025.

Your privacy. Steps 2(c) and 4(a) ask for information regarding income you received from sources other than the job associated with this Form W-4. If you have concerns with providing the information asked for in Step 2(c), you may choose Step 2(b) as an alternative; if you have concerns with providing the information asked for in Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c) as an alternative.

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

1. Expect to work only part of the year;
2. Receive dividends, capital gains, social security, bonuses, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or
3. Prefer the most accurate withholding for multiple job situations.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

Option (a) most accurately calculates the additional tax you need to have withheld, while option (b) does so with a little less accuracy.

Instead, if you (and your spouse) have a total of only two jobs, you may check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2024 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b) – Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on only ONE Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

- 1 Two jobs. If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, skip to line 3
2 Three jobs. If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.
a Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a
b Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b
c Add the amounts from lines 2a and 2b and enter the result on line 2c
3 Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc.
4 Divide the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in Step 4(c) of Form W-4 for the highest paying job (along with any other additional amount you want withheld)

Step 4(b) – Deductions Worksheet (Keep for your records.)

- 1 Enter an estimate of your 2024 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income
2 Enter: { \$29,200 if you're married filing jointly or a qualifying surviving spouse; \$21,900 if you're head of household; \$14,600 if you're single or married filing separately }
3 If line 1 is greater than line 2, subtract line 2 from line 1 and enter the result here. If line 2 is greater than line 1, enter "-0-"
4 Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Part II of Schedule 1 (Form 1040)). See Pub. 505 for more information
5 Add lines 3 and 4. Enter the result here and in Step 4(b) of Form W-4

Form W-4MN Instructions for Employees

Complete this form for your employer to calculate the amount of Minnesota income tax to be withheld from your pay.

When must I complete Form W-4MN?

Complete Form W-4MN if any of these apply:

- You begin employment
- You change your filing status
- You reasonably expect to change your filing status in the next calendar year
- Your personal or financial situation changes
- You claim exempt from Minnesota withholding (see Section 2 instructions for qualifications)

If you have not had sufficient Minnesota income tax withheld from your wages, we may assess penalty and interest when you file your state income tax return.

Note: Your employer may be required to submit a copy of your Form W-4MN to the Minnesota Department of Revenue. You may be subject to a \$500 penalty if you provide a false Form W-4MN.

You must enter your Social Security Number for this Form W-4MN to be valid.

What if I have completed federal Form W-4?

If you completed a 2024 Form W-4, you must complete Form W-4MN to determine your Minnesota withholding allowances.

What if I am exempt from Minnesota withholding?

If you claim exempt from Minnesota withholding, complete only Section 2 of Form W-4MN and sign and date the form to validate it. If you complete Section 2, you must complete a new Form W-4MN by February 15 in each following year in which you claim an exemption from Minnesota withholding.

You cannot claim exempt from withholding if all of these apply:

- Another person can claim you as a dependent on their federal tax return
- Your annual income exceeds \$1,100
- Your annual income includes more than \$350 of unearned income

What if I am a nonresident alien for U.S. income taxes?

If you are a nonresident alien, you are not allowed to claim exempt from withholding. You will check the single box for marital status regardless of your actual marital status and may enter one personal allowance on Step A of Section 1. Enter zero on steps B, C, and E of Section 1.

If you are resident of Canada, Mexico, South Korea, or India, and are allowed to claim dependents, enter the number of dependents on Step D.

Section 1 — Minnesota Allowances Worksheet

Complete Section 1 to find your allowances for Minnesota withholding tax. For regular wages, withholding must be based on allowances you claimed and may not be a flat amount or percentage of wages.

If you expect to owe more income tax for the year than will be withheld, you can claim fewer allowances or request additional Minnesota withholding from your wages. Enter the amount of additional Minnesota income tax you want withheld on line 2 of Section 1.

Nonwage Income

Consider making estimated payments if you have a large amount of “nonwage income.” Nonwage income (other than tax-exempt income) includes interest, dividends, net rental income, unemployment compensation, gambling winnings, prizes and awards, hobby income, capital gains, royalties, and partnership income.

Two Earners or Multiple Jobs

If your spouse works or you have more than one job, figure the total number of allowances you are entitled to claim on all jobs using worksheets from only one Form W-4MN. Usually, your withholding will be more accurate when all allowances are claimed on the Form W-4MN for the highest paying job and zero allowances are claimed on the others.

Head of Household Filing Status

You may claim Head of Household as your filing status if you are unmarried and pay more than 50% of the costs of keeping up a home for yourself and your dependents. Enter “1” on Step E if you may claim Head of Household as your filing status on your tax return.

What if I itemize deductions on my Minnesota return or have other nonwage income?

Use the Itemized Deductions and Additional Income Worksheet to find your Minnesota withholding allowances. Complete Section 1 on page 1, then follow the steps in the worksheet on the next page to find additional allowances.

Itemized Deductions and Additional Income Worksheet

- 1 Enter an estimate of your 2024 Minnesota itemized deductions. For 2024, you may have to reduce your itemized deductions if your income is over \$232,500 (\$116,250 for Married Filing Separately).....
- 2 Enter one of the following based on your filing status:
 - a. \$29,150 if Married Filing Jointly
 - b. \$21,900 if Head of Household
 - c. \$14,575 if Single or Married Filing Separately
- 3 Subtract step 2 from step 1. If zero or less, enter 0
- 4 Enter an estimate of your 2024 additional standard deduction (from page 11 of the Form M1 instructions).....
- 5 Add steps 3 and 4
- 6 Enter an estimate of your 2024 taxable nonwage income
- 7 Subtract step 6 from step 5. If zero, enter 0. If less than zero, enter the amount in parentheses.....
- 8 Divide the amount on step 7 by \$5,050. If a negative amount, enter in parentheses. Do not include fractions
- 9 Enter the number on step F of Section 1 on page 1
- 10 Add step 8 and 9 and enter the total here. If zero or less, enter 0. Enter this amount on line 1 of page 1.

Section 2 — Minnesota Exemption

Your employer will not withhold Minnesota taxes from your pay if you are exempt from Minnesota withholding. You cannot claim exempt from withholding if all of these apply:

- Another person can claim you as a dependent on their federal tax return
- Your annual income exceeds \$1,100
- Your annual income includes more than \$350 of unearned income

Box A

Check box A of Section 2 to claim exempt if all of these apply:

- You meet the requirements to be exempt from federal withholding
- You had no Minnesota income tax liability in the prior year and received a full refund of Minnesota tax withheld
- You expect to have no Minnesota income tax liability for the current year

Box B

Check box B of Section 2 if you are not claiming exempt from federal withholding, but meet the second and third requirements for box A.

Box C

Check box C in Section 2 to claim exempt if all of these apply:

- You are the spouse of a military member assigned to duty in Minnesota
- You and your spouse are domiciled in another state
- You are in Minnesota solely to be with your active duty military spouse member

Boxes D-F

If you receive income from the following sources, it is exempt from Minnesota withholding. Your employer will not withhold Minnesota tax from that income when you check the appropriate box in Section 2.

- **Box D:** You receive wages as a member of an American Indian tribe living and working on the reservation of which you are an enrolled member. Enter the name of your reservation and your Certificate of Degree of Indian or Alaskan Blood (CDIB) number/enrollment number. **Members of the Minnesota Chippewa Tribe** can exclude income regardless of which Minnesota Chippewa Tribe reservation you live and work on. This affects members of these tribes:
 - Mille Lacs
 - Nett Lake (Bois Forte)
 - Fond du Lac
 - Leech Lake
 - White Earth
 - Grand Portage
- **Box E:** You receive wages for Minnesota National Guard (MNG) pay or for active duty U.S. military pay. MNG and active duty U.S. military members can claim exempt from Minnesota withholding on these wages, even if they are taxable federally. For more information, see Income Tax Fact Sheet 5, *Military Personnel*.
- **Box F:** You receive a military pension or other military retirement pay calculated under U.S. Code title 10, sections 1401 through 1414, 1447 through 1455, and 12733. You may claim exempt from Minnesota withholding on this income even if it is taxable federally.

Note: You may not want to claim exempt if you (or your spouse if filing a joint return) expect to have other forms of income subject to Minnesota tax and you want to avoid owing tax at the end of the year.

If you complete Section 2, you must complete a new Form W-4MN by February 15 in each following year.

Nonresident Alien

If you are a nonresident alien for federal tax purposes, do not complete Section 2. See IRS Publication 519, *U.S. Tax Guide for Aliens*.

Line 2 — Additional Minnesota Withholding

Form W-4MN Employer Instructions

Form W-4MN Requirement

Federal Form W-4 will not determine withholding allowances used to determine the amount of Minnesota withholding. Employees completing a 2024 Form W-4 will need to complete 2024 Form W-4MN to determine the appropriate amount of Minnesota withholding.

Lock-In Letters

IRS Letter 2800C tells you when the IRS believes your employee may have filed an incorrect federal Form W-4. If you receive this letter, you must provide the Minnesota Department of Revenue with a copy of the employee's Form W-4MN. We will verify the number of allowances that the employee may claim for Minnesota purposes. Continue using the Form W-4MN you were using at the time you received Letter 2800C from the IRS, until we notify you to change the amount of allowances on the employee's Form W-4MN. If the employee has not completed a Form W-4MN, have them complete the form and use the allowances calculated on that form until notified by the department.

Use the amount on line 1 of page 1 for calculating the withholding tax for your employees.

When does an employee complete Form W-4MN?

Employees complete Form W-4MN no later than when they begin employment or when their personal or financial situation changes.

How should I determine Minnesota withholding for an employee that does not complete Form W-4MN?

If an employee does not complete Form W-4MN and they have a federal Form W-4 (from 2019 or prior years) on file, use the allowances on their federal Form W-4. Otherwise, withhold Minnesota tax as if the employee is single with zero withholding allowances.

What if my employee claims to be exempt from Minnesota withholding?

If your employee claims exempt from Minnesota withholding, they must complete Section 2 of Form W-4MN. They must provide you with a new Form W-4MN by February 15 of each year. If you are paying an employee for wages that are exempt from withholding, such as Medicaid Waiver Payments or wages to H-2A visa workers, do not send us Form W-4MN.

When do I need to submit copies of a Form W-4MN to the department?

You must send copies of Form W-4MN to us if any of these apply:

- The employee claims more than 10 Minnesota withholding allowances
- The employee checked box A or B under Section 2, and you reasonably expect the employee's wages to exceed \$200 per week
- You believe the employee is not entitled to the number of allowances claimed

You do not need to submit Form W-4MN to us if the employee is asking to have additional Minnesota withholding deducted from their pay.

We may assess a \$50 penalty for each Form W-4MN you do not file with us when required.

Mail Forms W-4MN to:

Minnesota Department of Revenue
Mail Station 6501
600 N. Robert St.
St. Paul, MN 55146-6501

What if my employee is a resident of a state that has a reciprocity agreement with Minnesota?

Your employee must complete Form MWR, Reciprocity Exemption/Affidavit of Residency if both of these apply:

- They are a resident of North Dakota or Michigan, and
- They do not want you to withhold Minnesota tax from their wages

Your employee must complete a Form MWR by February 28 of each year, or within 30 days after they begin working or change their permanent residence. See Withholding Fact Sheet 20, *Reciprocity - Employee Withholding*, for more information.

What is an invalid Form W-4MN?

A Form W-4MN is considered invalid if any of these apply:

- There is any unauthorized change or addition to the form, including any change to the language certifying the form is correct
- The employee indicates in any way the form is false by the date they provide you with the form
- The form is incomplete or lacks the necessary signatures
- Both Section 1 and Section 2 were completed
- The employer information is incomplete

What if I receive an invalid form?

Do not use the invalid form to calculate Minnesota income tax withholding. Have the employee complete and submit a new Form W-4MN. If the employee does not give you a valid form, and you have an earlier Form W-4MN from them, use the earlier form to calculate their withholding.

If a valid Form W-4MN is not completed by the employee, withhold taxes as if the employee is single and claiming zero withholding allowances.

What if my employee is a nonresident alien of the United States?

If the wages to this employee are subject to income tax withholding, you will use Table 1 and the procedure under **Withholding Adjustment for Nonresident Alien Employees** in IRS Publication 15-T to determine the correct Minnesota withholding tax. Do not use this procedure for nonresident alien students from India and business apprentices from India. Also do not use this procedure for certain nonresident aliens who are residents of South Korea. See IRS Notice 1392 for special instructions and withholding exceptions.

This Agreement, the construction of its terms and the interpretation of the parties' rights and duties, shall be governed by and construed under the laws of the State of Minnesota unless federal law controls the issue in question.

Reporting and Review of Maltreatment of Minors and Vulnerable Adults

Staff who are mandated reporters must report all information they know regarding an incident of known or suspected maltreatment of a child or vulnerable adult, in order to meet their reporting requirements under law. Partners in Community Supports (PICS) staff who encounter maltreatment of a minor or vulnerable adult will take immediate action to ensure the safety of the individual. Staff will define maltreatment as sexual abuse, physical abuse, or neglect and will refer to the definitions from MN Statutes; section 626.556 for minors and section 626.5572 for vulnerable adults. Staff will refer to the Individualized Home Supports Training Manual for the full MN Statue 245d Policy and Procedure on Mandatory Reporting Practices.

Procedure

PICS staff who encounter maltreatment of a child or vulnerable adult will take immediate action to ensure the individual's safety. If a staff knows or suspects that the individual is in immediate danger, they will call "911." If the report of suspected abuse or neglect occurred within PICS, the report should include actions taken by PICS in response to the incident. If a staff attempts to report the suspected maltreatment internally, the person receiving report will remind staff of the requirement to report externally. Any person may voluntarily report to the local welfare agency, police department, or county sheriff if the person suspects an individual is being neglected or subjected to physical or sexual abuse. PICS staff cannot shift the responsibility of reporting maltreatment to an internal staff person or position.

Where to Report for Minors:

- Department of Human Services:
maltreatment in 245d-licensed facilities
- Department of Health:
maltreatment in facilities
- County local welfare agency:
maltreatment in foster care, child care, juvenile correctional facilities under section 241.021, and by unlicensed personal care provider

Where to Report for Vulnerable Adults:

- You may make an external report to the Common Entry Point.
- You may make an internal report to the Designated Coordinator.
- If this person is involved in the alleged or suspected maltreatment, you must report to the Designated Manager/Regional Director.

Minors

When verbally reporting to the external agency, the mandated reporter will include all information known to identify child involved, any persons responsible for the abuse or neglect (if known), and the nature and extent of maltreatment. If staff suspects a child is being or has been abused or maltreated within the past 3 years, staff must immediately (within 24 hours) make a report to the local welfare agency, police department, or the county sheriff. Reports regarding incidents of suspected abuse or neglect of children occurring within a family or in the community should be made to the local county social services agency or local law enforcement referencing the phone numbers contained within this policy. A verbal report of suspected abuse or neglect that is made to one of the listed agencies by a mandated reporter must be followed by a written report to the same agency within 72 hours, exclusive of weekends and holidays, unless the appropriate agency has informed the mandated reporter that the oral information does not constitute a report.

Vulnerable Adult

If a staff knows/suspects that maltreatment of a vulnerable adult has occurred, they must make a verbal report immediately (within 24 hours) either to the Common Entry Point (CEP) or internally to their organization. Should the staff choose to make a report directly to an external agency, they must make the verbal report by calling the Common Entry Point.

Minnesota Adult Abuse Reporting Center

- State-wide common entry point available 24/7
- 844-880-1574 is the toll-free phone number for the general public
- Department of Human Services Licensing Division Maltreatment Intake: 651-431-6500
- mn.gov/dhs/reportadultabuse/
- http://registrations.dhs.state.mn.us/WebManRpt/Who_CEP4.html

For internal reports of suspected or alleged maltreatment, the person who received report will:

- Contact CEP if report is of suspected or alleged maltreatment.
- Inform case manager within 24 hours of reporting maltreatment, unless there is reason to believe the case manager is involved in suspected maltreatment. Person receiving report will disclose the activity or occurrence reported and the agency who received the report.
- Mail completed *Notification to an Internal Reporter* to staff's address who reported maltreatment within 2 working days that protects reporter's confidentiality. It must indicate if PICS reported externally to CEP. If not, they may make external report to CEP themselves. Staff are protected if they make a good faith report to Common Entry Point.

Partners in Community Supports is Notified

When PICS has knowledge of an external report, an internal review will be completed. The Designated Coordinator is the primary individual responsible for ensuring that internal reviews are completed for reports of maltreatment. If there are reasons to believe that the Designated Coordinator is involved in the alleged or suspected maltreatment, the Director will ensure internal reviews are complete. Based on internal review results, PICS will develop, document, and implement a corrective action plan to correct current lapses and prevent future lapses in performance by individuals or PICS, if any. Internal reviews must be made available to commissioner immediately upon the request. PICS will provide an orientation to internal and external reporting procedures to all persons served and/or legal representatives. Phone numbers included in the Individualized Home Supports Training Manual.

False Claims Act Notice

A. Prevention and Detection of Fraud, Abuse, and Waste

Partners in Community Supports (PICS) has a longstanding practice of fair and truthful dealing with its participants, their families, the government, health professionals and other business associates. No PICS Associate shall engage in any act of fraud, abuse or waste, such as knowingly making false statements of material fact, in the preparation or submission of any claim for reimbursement under the Medicaid program. A PICS Associate is any PICS worker, Representative, Representative worker, contractor or other agent hired by PICS. Compliance with this Policy is a condition of employment or business relationship with PICS. Violation of this policy is grounds for immediate termination of employment or agency relationship.

The federal Deficit Reduction Act of 2005 (“DRA”), effective January 1, 2007, was enacted to bring entitlement spending under control by increasing the detection and prevention of fraud, waste and abuse. DRA requires Medicaid providers like PICS to implement formal written policies to combat such fraud, abuse and waste. DRA imposes liability on any person who knowingly, directly or indirectly, is involved in presenting a false or fraudulent claim to the U.S. government for payment. DRA also provides special protections for workers who report any such suspected or actual wrongdoing. This Appendix will describe PICS’ anti-fraud policies and procedures and the specific federal and Minnesota laws relating to fraud, abuse and waste.

Fraud is an intentional misrepresentation that, when relied on by a payer or other person, deceives that person to his or her detriment. Abusive tactics are broader than fraud, and may include submitting deceptive or misleading claims to a government program like Medicaid, or using a false statement to support a claim. Waste may include other deceptive tactics, such as over-utilization of otherwise necessary services.

Types of fraud, abuse, or waste which may lead to liability are:

1. Knowingly filing a false or fraudulent claim for payments to Medicare, Medicaid or another governmentally funded health care program, such as billing for services not actually provided;
2. Knowingly making or using a false record or statement to obtain payment on a false or fraudulent claim from Medicare, Medicaid or other governmental program, such as documenting clinical care not actually provided;
3. Conspiring to defraud Medicare, Medicaid or other governmentally funded health care program by attempting to have a false or fraudulent claim paid; or
4. Knowingly making or using, or causing to be made or used, a false record to statement to conceal, avoid or decrease an obligation to pay or transmit money or property to the government.

Examples of the above include but are not limited to:

- a. Billing for services not actually provided;
 - b. Making payments to a phantom vendor or phantom worker;
 - c. Paying a vendor or worker for services not actually provided;
 - d. Paying an invoice known to be false;
 - e. Accepting or soliciting kickbacks or illegal inducements from vendors of services, or offering or paying kickbacks or illegal inducements to vendors of services;
 - f. Paying, offering gifts, money, remuneration or free services to entice a Medicaid recipient to use a particular vendor;
 - g. Using Medicaid reimbursement to pay a personal expense;
 - h. Embezzling; and
 - i. Ordering and charging for medical services not necessary for the participant.
- “Knowingly” means that a person (i) has actual knowledge of the information, (ii) acts in deliberate ignorance of the truth or falsity of the information, or (iii) acts in reckless disregard of the truth or falsity of the information, and no proof of specific intent to defraud is required.

B. Mandatory Reporting Requirement.

If any PICS Associate has reason to believe that anyone associated with PICS has engaged in any fraud, abuse or waste, the Associate has a duty to report any such observations and concerns immediately to the Executive Director. PICS shall not retaliate against anyone submitting a timely report pursuant to this policy.

All reports shall be investigated under the supervision of the Executive Director. All Associates have a duty to cooperate with any investigation conducted by PICS under this requirement, including but not limited to providing information upon request and meeting with PICS’ legal, accounting or other authorized representatives, if directed to do so by the Executive Director.

PICS will take any necessary action to respond appropriately to any substantiated offense and to prevent any further offenses, including but not limited to terminating PICS workers, Representative relationships and contractor or agency contracts. Offenses will be evaluated for voluntary self-disclosure under applicable federal laws, and when warranted, they will be referred to federal and state authorities. PICS will cooperate with government officials investigating or prosecuting any individual referred by PICS.

C. Federal and State Laws.

(i) False Claims Act.

Federal law requires Medicaid providers like PICS to provide you with detailed information about the administrative remedies under the federal False Claims Act, 31 U.S.C. §§ 3729-3733 and 3801-3812. These laws are important to you and PICS because they not only provide severe sanctions for submitting false claims to the federal Medicaid program, they also provide whistleblower protections to individuals who alert federal and state officials to offenses.

Under the False Claims Act, individuals or organizations that are found to have knowingly submitted false claims to the federal government, including the Medicaid program, are subject to civil liability in the amount of \$5,500 to \$11,000 per claim, plus three times the amount of damages the government sustained because of the illegal act. Offenders also face exclusion from the Medicaid and Medicare programs. Penalties may be reduced for providers who promptly self-disclose suspected False Claims Act violations if the information is submitted within 30 days of learning of it, if the organization fully cooperates with the government's investigation of the violation and depending on whether the government has already begun its own investigation of the reported violation.

(ii) Program Fraud Civil Remedies Act.

Under the Program Fraud Civil Remedies Act of 1986, a separate law similar to the False Claims Act, a civil money penalty of up to \$5,500 per false claim or false statement relating to a claim may be imposed, as well as damages equal to twice the amount of any reimbursed false claim. Investigations may be commenced by the Secretary of Health and Human Services for claims submitted that a person knows are false, that include any written statement that includes a material misstatement of fact or omits a material fact that the person has a duty to disclose or that is in payment for property or services not provided.

(iii) Minnesota Medical Assistance Fraud Laws.

In addition to the sanctions levied by federal law, Minnesota law contains criminal and civil penalties for Medical Assistance fraud. Under Minn. Stat. § 609.466, any person who, with the intent to defraud, presents a claim for reimbursement which is false in whole or in part is guilty of an attempt to commit theft of public funds and may be sentenced accordingly. Under Minn. Stat. § 256B.121, any vendor of medical care who willfully submits a claim for reimbursement that is known to be a false claim is also subject to a civil action by the State of Minnesota for three times the payments which result from the false representation, costs and attorneys' fees.

(iv) Minnesota Vulnerable Adult Law.

Subjecting a vulnerable adult to unnecessary and over-utilized services for the profit or advantage of another may also constitute financial exploitation under the Minnesota Vulnerable Adults Act, Minn. Stat. §§626.5572, subd. 9 and 609.2335.

(v) Whistleblower Protections under federal and Minnesota Law.

The federal False Claims Act, at 31 U.S.C. §3730(h), provides anti-retaliation protections for whistle-blowing workers. If a worker participates in the investigation for, initiation of, testimony for, or assistance in an action filed under the False Claims Act, the employer may not discharge, demote, suspend, threaten, harass or in any other manner discriminate against the worker in the terms and conditions of employment, in retaliation for the worker's protected action.

Relief for a worker who is retaliated against in violation of 31 U.S.C. §3730(h) may include reinstatement, double back pay with interest, and compensation for any special damages, including litigation costs and reasonable attorneys' fees.

In addition, the False Claims Act enables private individuals to initiate lawsuits on behalf of the federal government against any party who submitted false claims for payment from the Medicaid program. Known as *qui tam* actions, the suing private plaintiff, if successful, may be rewarded part of any penalty recovered and the remainder goes to the government. Depending upon the circumstances of each case, the government may intervene. In cases where the government declines to intervene and the private plaintiff pursues the action on his or her own, the plaintiff's recovery share may be as great as 25 to 30% of the penalty. In cases where the government elects to intervene, the court may award between 15 and 25% of the recovery to the private plaintiff. Individuals who initiate *qui tam* cases may not be discriminated or retaliated against in any manner by their employers. Employer violations of the *qui tam* anti-retaliation provisions could result in reinstatement and damages of double the amount of lost wages if the worker is fired and any other damages sustained if the worker is otherwise discriminated against.

The Minnesota Whistleblower Law, Minn. Stat. §181.932, prohibits employers from discharging, disciplining, threatening or otherwise discriminating against or penalizing a worker for good faith reporting of suspected violations of any state or federal law or rule, or for participating in a government investigation. The law allows workers to refuse an employer's order to perform an act that violates federal or state law. The Minnesota law expressly authorizes a worker to report in good faith violations of federal or state health care standards that put the public at risk.
