LUTHERAN SOCIAL SERVICE OF MINNESOTA

Colombia

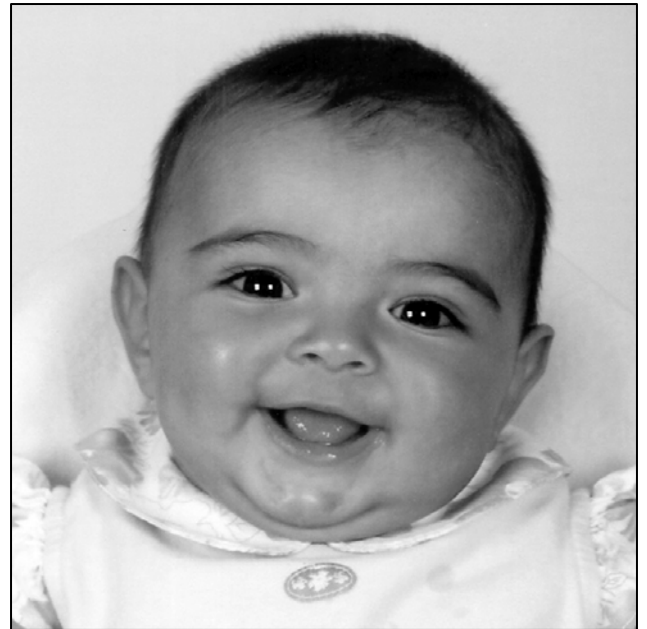

ADOPTION PROGRAM

PRIVATE ORPHANAGE PROGRAM

The children in need of adoption from Colombia are generally healthy infants, toddlers, and children up to age 16. Many older children, sibling groups and special needs children are also available. Children may have been relinquished at birth in the hospital, abandoned, or taken into protection. Most children are waiting in one of several orphanages in Colombia, though some children are placed in foster care. The length of time you will wait for a child's referral, following LSSMN approval, will depend upon the age of the child requested. You may expect to travel to Colombia approximately three weeks after receiving and accepting your referral. Referral times vary between programs. Families choosing the Private Orphanage Program may wait 6-36 months for a referral – typically the younger the child, the longer the wait for a referral.

LSSMN also provides humanitarian aid to Colombia to help care for the children who will not be able to find homes through adoption. Our goal is to help establish effective community outreach programs to help those families who are unable to provide adequate food and shelter for themselves.

If you feel that you could provide a loving home for these orphaned children, please contact us.

LUTHERAN ADOPTION NETWORK

Lutheran Social Service of Minnesota (LSSMN) works in partnership with more than 29 Lutheran service agencies in 26 states and the Virgin Islands to provide adoption opportunities for children and families. This partnership, called the Lutheran Adoption Network (LAN), aims to provide permanent adoptive homes for children from all countries in the world.

Adoptive families working with a LAN member agency have complete access to the adoption programs of LSS of Minnesota. Please call us at 612.879.5230 or toll-free at 1.888.205.3769 for the schedule and location of an Information Meeting near you, or visit us online at www.minnesotaadoption.org.
