LUTHERAN SOCIAL SERVICE OF MINNESOTA

THE CHILDREN . . .

in need of adoption from Vietnam are generally infants aged 4-24 months although toddlers and older children are also available. Both boys and girls are in need of loving homes. Most are relinquished shortly after birth, but some come to our small provincial orphanages after spending a short time with their birth families. The children are cared for in clean and well-maintained orphanages by trained, loving nannies. Extreme poverty and the lack of cultural and social support are among the most common reasons children are placed for adoption.

In addition to supporting the orphanages, LSSMN provides humanitarian aid to the provinces in which we work. Our goal is not only to help the orphaned children find families, but to care for the children who will remain in the orphanage indefinitely and establish effective community outreach programs to help those families who are unable to provide adequate food and shelter for themselves.

If you feel that you could provide a loving home for these orphaned children, please contact us.

LUTHERAN ADOPTION NETWORK

Lutheran Social Service of Minnesota (LSSMN) works in partnership with more than 29 Lutheran service agencies in 26 states and the Virgin Islands to provide adoption opportunities for children and families. This partnership, called the Lutheran Adoption Network (LAN), aims to provide permanent adoptive homes for children from all countries in the world. **Adoptive families working with a LAN member agency have complete access to the adoption programs of LSS of Minnesota. Please call us at 612.879.5230 or toll-free at 1.888.205.3769 for the schedule and location of an Information Meeting near you, or visit us online at www.minnesotaadoption.org.**
