

## QUILTING GUIDELINES for the CAMP KNUTSON'S ANNUAL QUILT AUCTION

- ♥ **First and most important**, thank you for your willingness to donate a quilt to the Camp Knutson Quilt Auction! **We are grateful for your generosity and every quilt is appreciated!**
- ♥ The most popular quilts at the auction have some of the following characteristics:
  - Classic and/or themed quilts, such as "Up North," cabin, pine trees, loons, moose etc.
  - Vintage quilts
  - Contemporary Quilting Techniques and colors
  - Hand or machine quilted
  - Full size or larger (see the size chart on back side)
  - Quilts that have general appeal (they should not commemorate a specific event or place)
  - **Special Note:** All tied quilts will be in the silent auction
- ♥ Fabric: Quilters choose from a variety of fabrics. If special laundering is necessary, **please include instructions.**
- ♥ Size: **BUYERS LIKE QUILTS THAT FIT FULL TO KING-SIZED BEDS**  
Please refer to the back of this sheet for a sample Quilt Size Chart.
- ♥ Buyers enjoy knowing a little about where their quilt originated. We encourage you to include unique or special facts about your quilt on the Catalog Information form as Additional Information. Having a label sewn on the back personalizes your quilt, indicating the name of the pattern, the name(s) and location of the quilters or quilting group, and the year.
