

Night Under the Stars

2023 SPONSORSHIP OPPORTUNITIES

Camp Knutson, a service of Lutheran Social Service of Minnesota (LSS), is a place where children and adults with disabilities, medical conditions and other identified needs can access the beauty of nature in a medically-sound environment. Together with others whose experiences are similar to their own, campers often form lifelong friendships in this inclusive, welcoming community.

LSS' Camp Knutson is thrilled to invite friends and supporters to join us for Night Under the Stars, a summer evening of celebration and generosity on Saturday, July 15, 2023. Formal invitation to follow.

Please consider joining us through one of the following sponsorship opportunities. Sponsorships directly impact camp programs and services while providing meaningful visibility for your organization's support for Camp K.
