Her neighbors might think she does too much house and yard work on her own, but 100-year-old Anne believes that good health and support from her St. Paul community has made it possible to keep the independent life she loves.

For the little support she does need, Anne has come to rely on the weekly visits from Anita, her Senior Companion from Lutheran Social Service of Minnesota. Anita, who loves to meet the needs of others, helps Anne with rides to the grocery store and doctor appointments. Most importantly, Anita is a friendly, familiar face for Anne to visit with each week.

Many of Anne’s friends have passed away or moved into nursing homes, leaving her feeling more isolated. “Oh, I just love Anita and everything she does,” she said. “I don’t know what I would do without her.”

Statewide, 320 Senior Companion volunteers are helping Minnesotans remain in their homes for as long as they would like. Consider becoming a volunteer!

Mission: Lutheran Social Service of Minnesota expresses the love of Christ for all people through service that inspires hope, changes lives, and builds community.
