We're seeking volunteers to meet with older adults for friendly visits a few hours each week. Our Caregiver Support & Respite Volunteers meet at the homes of older adults and out in the community. This gives family caregivers a break to run errands, rest and recharge.

Everyone is invited to volunteer — we serve all people and welcome diversity in our volunteers.

Volunteers receive training, and no prior experience is required. To qualify you must be 18 years or older, will need some availability each week and reliable transportation.

Volunteer Benefits:
• Share your skills, meet new people, make a positive impact and have fun in the community.
• Improve your emotional well-being by feeling the satisfaction of giving back.
• Be matched with someone who shares your interests.
• Offer older adults friendship and support.
• Boost your resume and stand out to future employers.
