

Kinship Caregiver Consent to Contact Form

Kinship Family Support Services

Minnesota kinship caregivers who are caring for a relative's or friend's child are welcome to access our services and supports. We provide respectful resource and support navigation to both kinship caregivers outside the child welfare system (informal caregivers) and those inside the child welfare system (caregivers who have children who may be receiving foster care services).

We help kinship caregivers navigate critical resources and supports to help them raise the children in their care, and increase their safety, permanency, and well-being. We do this through our supportive Kinship Warmline, one-to-one supportive services, training, website, and support groups.

For more information please contact our Kinship Warmline at 877-917-4640 or warmline@lssmn.org; or visit our website at www.kinshipcaregivers.org.
